ROOFING & STORM CLAIMS IN PLANO

Your roof, done right.

A veteran-owned roofing company serving Plano and North Dallas. We handle the inspection, the insurance claim and the install, and we finish on schedule.

WHAT WE DO

Residential Reroofing

Full roof replacements for North Dallas homes, done clean and finished on schedule.

Storm & Insurance Claims

We document the damage and work your claim with the adjuster, start to finish.

Roof Repair

Leaks, missing shingles, and flashing fixed before they turn into a bigger bill.

Impact-Resistant Roofing

Class 4 impact-resistant shingles that stand up to hail and can lower your premium.

HOW WE WORK

We handle every step, start to finish.

From the first inspection through the final walkthrough, you deal with one crew that keeps you posted and keeps the site clean.

01

Free inspection

We come out, inspect the whole roof, and show you exactly what we find.

02

We file the claim

We document the damage and coordinate directly with your insurance adjuster.

03

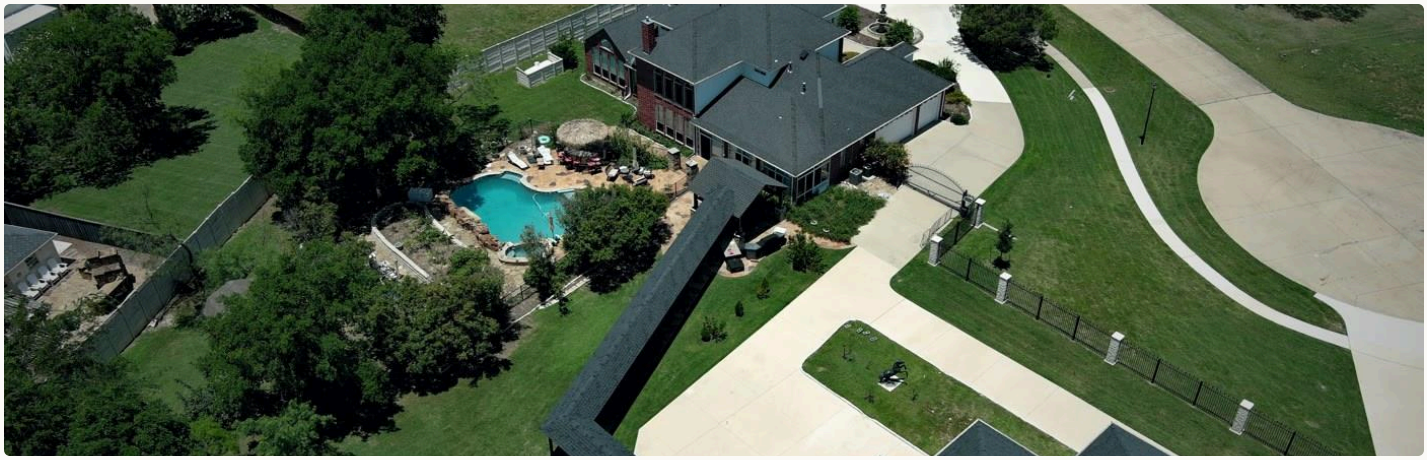

We install

Once approved, our crew replaces the roof on schedule and cleans up after.

04

Final walkthrough

We walk the finished roof with you and make sure everything is right.

★★★★★

Reviewed on Google under real names. Veteran-owned, and serving Plano and North Dallas.

WHY HOMEOWNERS CHOOSE US

Veteran-owned, no runaround

You get honest guidance on whether you need a repair or a replacement, and clear pricing before any work starts. No pressure, no runaround.

We handle the insurance claim with you

We document the damage and coordinate with your adjuster directly, so you are not the one chasing a claim or arguing over what the storm did.

Class 4 roofing done right

We know impact-resistant systems and how insurers treat them, so you get better hail protection and any discount you are owed.
